Caesar Wheel

Directions:
1. Paste this whole page onto thin card
2. Carefully cut around the two circles
3. Write the alphabet in **RED** around the SMALL circle
4. Write the alphabet in **BLACK** around the LARGE circle
5. Fix the small circle onto the big circle using a paper fastener through the centre (marked with a dot)

You are ready to use your Caesar Wheel

REMEMBER the plaintext letters are written in **BLACK**, the ciphertext letters are written in **RED**

**ENCIPHERING = BLACK to RED**
**DECIPHERING = RED to BLACK**
